**Advanced Pediatric Centre  
Postgraduate Institute of Medical Education & Research**

**Chandigarh, India**

In cooperation with  
World Federation of Pediatric Intensive and Critical Care Societies

[www.wfpiccs.org](http://www.wfpiccs.org)

# INVITATION

Dear Colleagues,

We are privileged to organize the Pediatric Critical Care Nursing Workshop on 1-2 March 2007 at the Postgraduate Institute of Medical Education & Research (PGIMER) in Chandigarh, India. The Workshop is under auspices of the World Federation Pediatric Intensive and Critical Care Societies (WFPICCS).

Pediatric Intensive Care Nursing has grown towards an own specialty in many countries around the World. However, in many regions there is still an urgent need for professional education to improve the outcome of children suffering from life threatening illnesses. WFPICCS is committed to global development of Pediatric Intensive Care Nursing and providing access to highest standard of care to all children. It is with this objective that we are organizing an international Pediatric Critical Care Nursing Workshop with national and international experts. By combining the expertise from the developed and developing countries we provide a dialogue on pediatric critical care nursing issues. This platform of professional discussion and training will improve basic and advance nursing practice. Eventually the critical ill infants and children will benefit from our progress.

The National Institute of Nursing Education is an integral part of PGIMER and is affiliated to the Punjab University, Chandigarh. The Nursing Institute is designated as WHO Collaborative Centre for Nursing and Midwifery development since March 2003. The nursing institute has been contributing to the preparation of clinical nurse practitioners, educators and administrators. Thus it is serving to promote health, prevent sickness and provides bedside care to the sick and suffering. Teaching lays emphasis on quality education by rigorous practice for clinical skill development.

Chandigarh is a modern planned city. It is at its best in the first week of March. It is springtime, flowers bloom all around. It will be our endeavour to make your stay and participation a memorable one with warm hospitality and a pleasant stay in Chandigarh. On behalf of the organizing committee, we invite you to attend the Pediatric Critical Care Nursing Workshop on 1-2 March, 2007. We look forward to seeing you in Chandigarh.

**Jos Latour RN, MSN**  
Course Organiser  
WFPICCS

**Prof. Sunit Singhi**

## TRAVEL

Chandigarh has excellent connections and can be reach by road, rail and air.

### Rail connections:

Chandigarh Railway Station is about 12 kms from the Postgraduate Institute of Medical Education and Research, Sector 12, and about 8 kms from the City Centre in Sector 17, Chandigarh. Shatabdi Express and Himalayan Queen provide two train connections every day between Chandigarh and Delhi. Paschim Express connects the city to Mumbai. Information and online tickets can be booked via: [www.indianrail.gov.in](http://www.indianrail.gov.in)

### Road connections:

The Union Territory of Chandigarh is well served by an excellent network of roads. The National Highways No. 21 (Ambala-Kinnaur) and 22 (Chandigarh-Leh) are the chief road arteries linking Chandigarh with the rest of the country. The city is within motorable distance from a number of popular towns and pilgrimage centres.

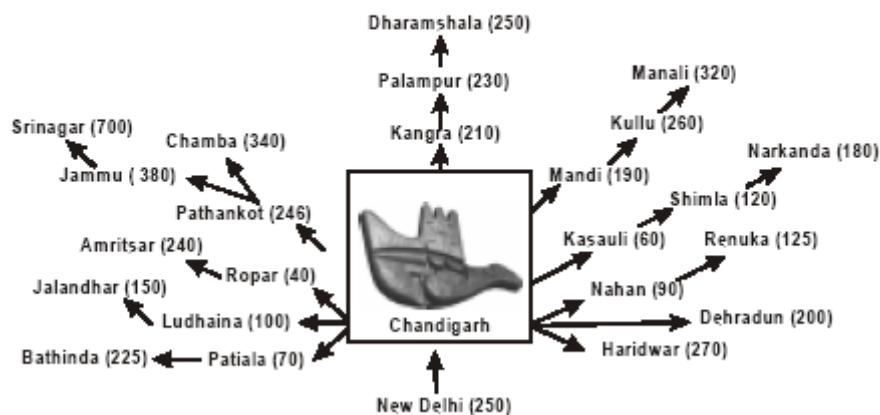

Buses of several State Road Transport Corporations connect Chandigarh with many cities and towns of neighbouring states. Buses may be air-conditioned, deluxe, semi-deluxe or ordinary. The Inter-State Bus Terminus (ISBT) is located in Sector 17 (City Centre).

### Air connections:

The airport is 11 km from downtown. Taxis are available for Airport transfer. Indian Airlines, Jet Airways and Air Deccan connects Chandigarh with New Delhi the National Capital, and other cities. Chandigarh Tourism has well maintained Tourist Information Centre at the Airport. Airlines flying to and from Chandigarh are:

Indus Air	<a href="http://indusair.biz/">http://indusair.biz/</a>
Indian Airlines	<a href="http://indian-airlines.nic.in/">http://indian-airlines.nic.in/</a>
Jet Airways	<a href="http://www.jetairways.com">www.jetairways.com</a>
Air Deccan	<a href="http://www.airdeccan.net/">www.airdeccan.net/</a>

## Distances from Chandigarh (Kms)

## TOURIST INFORMATION

Chandigarh offers places of tourist interest within short intra-city distances and amidst a clean environment. Tourist information about Chandigarh and surroundings can be found at:
